

AIARI

Annual Design Awards 2016

CALL FOR ENTRIES

AIARI is committed to excellence in architecture and looks forward to celebrating outstanding works of architecture through its annual Design Awards Program. The purpose of the program is to recognize achievements in design by Rhode Island architects and to honor the project teams and the clients who work with them to create and enhance our built environment.

ELIGIBILITY

- AIARI Member architects may submit projects located worldwide
- The project must be submitted by a licensed architect of record
- Non-AIARI members licensed to practice in the state of Rhode Island may only submit projects located in Rhode Island
- Built projects must have been substantially completed after January 1, 2011
- Projects that have been honored in a past AIARI Design Awards program are not eligible (unless the project was submitted in the Unbuilt category, and the project has since been built)
- Each entrant may submit any number of eligible entries with the appropriate fees for each entry
- Work by the firms of design professionals serving as jury members this year is not eligible
- The submitted work must be eligible for publicity and reproduction

ARCHITECTURE AWARDS

Awards may be given in two levels for each category:

- **Honor Awards** - for projects that show outstanding achievement in architectural design
- **Merit Awards** - for projects with noteworthy achievement in architectural design

Announcement and presentation of the Awards will be made during the AIARI Design Awards Celebration on Thursday, December 1, 2016 at Linden Place, Bristol, RI. Publication and exhibition of award-winning projects will be sought by AIARI after the awards ceremony.

Categories & Criterion

The entrant must specify the category that the project is being submitted for in each project submission. The jury may elect to honor projects in each category or may choose to make no distinction at all. The categories for 2016 are:

- Residential
- Educational / Institutional
- Commercial / Industrial
- Civic / Infrastructure
- Interiors
- Urban Planning / Urban Design
- Historic Preservation
- Adaptive Reuse / Renovation
- Unbuilt

Submission Requirements

All submissions for the AIARI Design Awards must be digital. No binders will be accepted. The decisions of the jurors will be based solely on the materials submitted. All materials listed below shall be formatted on eight (8) pages or less, not larger than 8 1/2" x 11" each, and submitted as three (3) separate PDF documents named with the project name and competition number. Numbers are assigned when you register your project with your payment. The file size of all documents combined shall not exceed 16MB. All reference to the architecture firm must be concealed on all materials that will be reviewed by the jury.
